

Quiz 2: Multiplication and Matrices

You will have 2-3 minutes to answer these on your own on your sheet (numbers 4 through 6). Then your team will have 5-6 minutes to answer them as a team (numbers 104 through 106).

Your individual grade, out of ten points, includes 1 point for being present and 1.5 points for each correct answer (individual or team).

For the following three questions, select A for yes/true, B for no/false, or C if you really have no idea.

4. Scalar multiplication by $0 \in \mathbb{R}$: every matrix satisfies $0A = 0$.

5. If A is a 3×2 matrix, then

$$\begin{bmatrix} 1 & 0 & 0 \\ 0 & 1 & 0 \\ 0 & 0 & 1 \end{bmatrix} A = A$$

6. If A is a 2×3 matrix, then

$$\begin{bmatrix} 1 & 0 & 0 \\ 0 & 1 & 0 \\ 0 & 0 & 1 \end{bmatrix} A = A$$
